

Spring Conclave Registration

INDIANA JONES

and the Quest
for the Golden Arrow

Tipisa Lodge... It's time for another lodge weekend full of food, fun and fellowship. The 2009 Spring Conclave theme is Indiana Jones and the Quest for the Golden Arrow. From hidden temples to lost Artifacts each chapter will feel the great thrill of action and adventure through the Indiana Jones movies.

This event has a twist, it is not the same schedule as other lodge events, but the whole weekend will be the Quest for the Golden Arrow. From Friday night to Sunday morning there will be events, challenges and puzzles for chapters to figure out and will lead the winner of the golden arrow.

Brotherhood will also be available for any Ordeal member that has been in the order for ten months. Training will be provided. Saturday night there will also be a Brotherhood ceremony. The cost for brotherhood is only \$11.

You can also register online at www.Tipisa.org
