*Council Professional Advisor
Allen Eggleston
(904) 710-2365*

The Powder Horn course is designed to introduce and expose Venturing and Boy Scouting adult unit leaders to the activities and resources necessary to operate a successful outdoor/high adventure unit-level program. It is based on the eight core and eighteen electives found in the Venturing Ranger program. It is intended to help adult leaders get out of the box in finding and using resources and in the way they lead their unit-level high adventure programs. No high adventure skills are taught in this course. It is designed to have some disciplines introduced with a hands-on segment. Participants will not learn how to execute the programs, but will learn where to go to find those who can teach these skills to Boy Scouts and Venturers. Participants are required to have completed the Venturing Leader Specific Training prior to the first weekend of the course. Due to the limited course capacity, preference will be given to those adults registered as Venturing Advisors/Skippers and associate Advisors/Skippers. Other scouting leaders may register on a space available basis.

Powder Horn consists of two 3 day weekends starting at 7:00am on Friday morning and ending at 5:30pm on Sunday afternoon. Participants must attend both weekends in full in order to graduate. Make up sessions will not be provided. Base camp for the program is Camp La-No-Che. Participants may be required to travel to other facilities in Florida within 100 miles of base camp. All participants must provide a valid BSA Class III Physical at time of registration and have completed the required training.
