

By now, most Recharterers should have been turned in to the Council. If you have not turned in your Recharter due to problems, and need assistance please contact your district executive or Program Services (407-889-4403). Recharterers are processed on a first-come first-served basis. With over 800 units, this is a huge undertaking for the Council's registrar. Please know that, with assistance, she will process everything as quickly as possible.
